About Mint Wireless Limited:

Mint Wireless Limited (www.mnw.com.au) is an ASX listed technology company focused on providing mobile payment solutions (www.mint-wireless.com) and the development and management of consumer technology products and services. Mint's portable payment and invoicing solutions is a software application for Nokia, Microsoft Windows or Blackberry smart phones and includes a pocket-sized printer and card reader. Anyone processing payments in situ can accept credit cards and other payment types, process credit card transactions, print an invoice on the spot and download all transactions into their accounting and ERP systems. Mint Wireless Limited is also a developer and leading distributor of innovative consumer technology products to many of Australia and New Zealand's largest retailers and online e-tailers through its subsidiary Mint Technology Pty Limited.
